Fines are now from 50 to 5000 times the daily minimum wage (68 pesos ). One important change is that all risk studies must have an ergonomic element and all job positions must have a risk study with an ergonomic evaluation. Also added, are the requirement to have a driver safety program for any employee driving company vehicles.</p>
---	---

	<p><b>THIS NEW REGULATION CANCELS THE CURRENT REGULATION IN FEB. 2015</b></p> <p>This is the most important of the 3 Regulations of the Labor Law.</p> <p>The objective of the Regulation for Health and Safety is the establishing of the measures necessary for prevention of accidents and illnesses on the job, and its stated aim is achieving work being performed under conditions of safety, health and adequate environment for the workers.</p> <p>The Regulation defines the responsibilities of Employers and employees and serves as the outline for Health and Safety - each one of the Chapters is detailed in the NOMs (STPS) with procedures, programs, documentation, tests, and verification required in a Health and Safety program that is compliant. The Regulation is the outline for your Health and Safety program, the NOMs are the details.</p>

## HEALTH AND SAFETY STANDARDS

<p style="text-align: center;"><a href="#">UNITS OF VERIFICATION</a></p> <p style="text-align: center;">TESTING LABORATORIES</p> <p style="text-align: center;"><a href="#">SOCIAL RISK PREMIUM REDUCTION WITH A CERTIFIED HEALTH AND SAFETY PROGRAM</a></p>	<p style="text-align: center;"><b>WHAT IS A NOM?</b></p> <p>A NOM (= Norma Oficial Mexicana = Official Mexican Standard) have the force of Law. They are created by the DGN (= Dirección General de Normas) which is under the authority of the Secretary of Economy (Secretaría de Economía = formerly known as SECOFI) The DGN creates National Consultative Committees integrated by experts, both government and private sector who create NOMs or Standards based on the Laws, and Regulations. The NOMs provide you with the details of compliance, procedures, programs, permits. Each NOM has a designation based on the Secretary responsible for oversight of compliance. Example: NOM-005-STPS-1998 is a Health and Safety standard. All Health and Safety Standards have a different number but the same "STPS" designation.</p> <p>NOM-005-STPS-1998</p> <p><b>NOM = Norma Oficial Mexicana = Official Mexican Standard</b></p> <p><b>005 = the number of this NOM</b></p> <p><b>STPS = Secretaría de Trabajo y Previsión Social Secretary of Labor and Social Welfare</b></p> <p><b>1998 = The year this NOM was published in the DOF</b></p>
